Ek uncha lamba kad, duja soni vi tu had  
Teeja roop tera cham cham karda ni  
Main avi teri ute marda ni  
Nain chak chak chak, tujhe tak tak tak  
Same amro se aanhe bharda ni  
Main avi teri ute marda ni  
Teri zulfon mein hai raatein, aankhen bhi karti hain baatein  
Jaanejaana karde hum pe, apani chaahat ki barsaatein  
Tu hai sab se juda, dil tujhe fida - 3  
Bin tere ek pal nahi katada ji, main avi teri ute marda ni  
Gaalon ka hai rang gulaabi, tu kahaan ki main punjabi  
Chaand mein daag hai, lekin kudiye tujhe nahi koi kharaabi  
Hoga tera good luck  
dil mere liye rakh - 3  
Tu hi tu hi yara tu hi mera diljaani  
Main avi teri ute marda ni  
Ek uncha lamba kad, duja soni vi tu had  
Teeja roop tera cham cham karda ni  
Main avi teri ute marda ni
