Fariyad kya kare ham, kise dastan sunaye
Ham dil se jise chahe use kaise bhul jaye
Charo taraf andhera khushiya naa ras aaye
Ham dil se jise chahe use kaise bhul jaye
Do dil me duree ho gayee, khushiya adhuree ho gayee
Kaisee majburee ho gayee, sun le mere sathiya -2
Dhaga ho toh mai todu, dariya ho toh mai modu
Chahat naa todi jaye, sun le mere sathiya -2
Wakt tham se gaye dur ham ho gaye, kya khata ho gayee
Khamosh lab hai aankho se par kashk chalak jaye
Ham dil se jise chahe use kaise bhul jaye
Ho.....
Kismat me likhee judayee milo milo tanhayee
Chahat bhee ras naa aayee, sun le mere sathiya -2
Aashko kee dara jhule, dardo hu pas bhule
Darr hai kee maut naa chhule, sun le mere sathiya -2
Tukde tukde huye khwab dil ke mere, manjile kho gayee
Chahat badee ajib hai haste huye rulaye
Ham dil se jise chahe use kaise bhul jaye
