Fasale bahaara hoon main, fasale bahaara  
Jalata angaara hoon main, jalata angaara  
Meri aaghosh mein hai narimiyaan, meri madhoshiyon mein garmiyaan  
Tujhe paana hai socha hai mauka hai hone do hoti jo gustaakhiyaan  
Fasale bahaara hoon main, fasale bahaara  
Maine toh dil diya, tune ki dillagi  
Chaahat ke maayané tu samajha hi nahin  
Ishq ke moti lutaaye maine teri raahon mein  
Tune kaante hi chubhaaye bas meri nigaahon mein  
Maine socha na tha tu badal jaayega  
Iss kadar dard dega yuun tadpaayega  
Sang dil sharaara hoon main, sang dil sharaara  
Fasale bahaara hoon main, fasale bahaara  
Mera junun dekha tune abhi kahaan  
Chhinega tujhako mujhase koyi kaise meri jaan  
Aashqui jisane bhi ki woh khela apani jaan se  
Sun woh patthar ke sanam yeh puchh le jahaan se  
Tere bin saari duniya hai kis kaam ki  
Mujhako parwaah nahi hai abb anjaam ki  
Arshe sitaara hoon main, arshe sitaara hoon  
Fasale bahaara hoon main, fasale bahaara  
Jalata angaara hoon main, jalata angaara
