Duniya hila doon  
Koi roke kya mujhe  
Chaand pe chal doon  
Koi toke kya mujhe Sabko nacha doon  
Iâ€™m gonna move it like MJ  
Mere dil mein jalti hain  
Sitraaon se bhi bright Feel the rhythm tonight  
Can you feel, can you feel it tonight (x3) Nayi beat ye naya groove  
Yeh Chadhne laga hai  
Sabhi ke sabhi bhadakne lage  
Mera nasha hai (x2) Bass badha doon  
Koi roke kya mujhe  
Tujhko dikha doon  
Koi toke kya mujhe Sabko nacha doon  
Iâ€™m gonna move it like MJ  
Mere dil mein jalti hain  
Sitraaon se bhi bright Feel the rhythm tonight  
Can you feel, can you feel it tonight (x3) Bajne do yeh feeling toh hai right Soch soch ke dance na karna  
Ik rhythm ik beat padkadna  
Moonwalk karte hi ja  
O yeahâ€™Ik nazar jo mujhe daale  
Meri dhun mein khud ko paaye  
Naach naach ke gum ho jaaye  
Yeahâ€™Dil toh behla doon  
Koi roke kya mujhe  
Khudko bhula doon  
Koi toke kya mujhe Sabko nacha doon  
Iâ€™m gonna move it like MJ  
Mere dil mein jalti hain  
Sitraaon se bhi bright Feel the rhythm tonight  
Can you feel, can you feel it tonight (x3) Bajne do yeh feeling toh hai right Can you feel, can you feel it tonight (x2)
