Mere dil mein rahega tera pyaar forever forever
Mujhe karana hai intjaar tera forever forever
Girl you know i can't
deny, ?? feelin deep inside
I wanna make you mine o mine, so never turn away don't
hide
Don't
t ever, forever
Meri aankhon ke rubaru rahe, tere khaabon ka manjar
Chain ek lamaha na lene de bebasi ka samandar
Tere khayaal tadpaane lage, mere khayaalon pe chhaane lage
Main toh sochu tujhe forever forever
Girl i know just how you feel, and you love ??
I gonna love you more and more, i am never gonaa let you go
No never, forever
Teri yaadon ki chaukhaton pe main, umrr saari bita du
Jo bane hai meri dhadkano pe woh naksh kaise mita du
Meri wafaaye hai tere liye, teri tamannaye mere liye
Tujhpe lutaungi jaan forever forever
Mere dil mein rahega pyaar tera forever forever
Mujhe karana hai intjaar tera forever forever
Girl you always on my mind, and your memories rewind
I could never go ahead, by leaving you behind
No never forever forever forever forever
Yes my life forever and ever
