O meri jaan tera  
Yun muskurana  
Toh ghalat baat hai  
Apne aashiq ko  
Sankat mein laana  
Toh ghalat baat hai  
O meri jaan tera  
Yun muskurana  
Toh ghalat baat hai  
Apne aashiq ko  
Sankat mein laana  
Toh ghalat baat hai  
Jab main tujhse mila  
One nine ka tha  
Din yaad hai mujhe  
Valentine ka tha  
Dil mein aake  
Yun phir dil jaana  
To galat baat hai  
O meri jaan tera  
Yun muskurana  
Toh ghalat baat hai  
Apne aashiq ko  
Sankat mein laana  
Toh ghalat baat hai  
Chhu kar dil ko  
Chhu ho jaana  
Aadat hai teri buri  
Haaye chhup ke  
Dikhna dikh ke chhupna  
Aafat hai dekho badi  
Dheere dheere chadhe  
Jo hai ishq wohi  
Jaldi jaldi mein  
Lena hai risk nahi  
Chhote kapde pehan  
Ke yun nachna  
To galat baat hai  
O chhote kapde pehan  
Ke yun nachna  
To galat baat hai  
O khote nainon se  
Humko yun takna  
To galat baat hai  
Thodi thodi si tere sang  
Main bhi phisalne lagi  
O thodi thodi tujhse lipat kar  
Main bhi sambhalne lagi  
Thoda khud ko o  
Kudiyon sambhalo zara  
Yun khule aam humko  
Pataana hai bura  
Tum karo to sahi  
Sahi hum karein to  
Kyun galat baat hai  
Ho pyaar mein kaun  
Jaane sahi kya  
Kya ghalat baat hai  
Jab main tujhse mila  
One nine ka tha  
Din yaad hai mujhe  
Valentine ka tha  
Yun puraane  
Lover ko satana  
To galat baat hai  
O meri jaan tera  
Yun muskurana  
To galat baat hai.
