Galat hai lut liya tumko husnwalo ne
Tumhe toh luta tumhare bure kayalo ne
Kata tumharee hai iljam husnwalo par
Kuda kee mar tumhare bure kayalo par
Najar tumharee hamesha hai kushajamalo par
Kisee key balo pe aasheek kisee key galo par
Jamaana thukega vallah aisee chalo par
Taras naa khayega koyee tumhare halo par
Aa aa aa.....
Javab saf milega tumhe savalo par
Juban kholee agar tumne husnwalo par
Galat hai lut liya tumko husnwalo ne
Tumhe toh luta tumhare bure kayalo ne
Jahan kahee tumhe koyee hasin najar aaya
Tumhare dil ne tumharee najar ko bahakaya
Key tumne dil se sharafat ko yu mita dala
Bure kayal ne andha tumhe bana dala
Tum apnee aabru kud apne hatho khote ho
Bure ho dil me burayee key bij bote ho
Aa aa aa.....
Hamesha husn kaa rona jahan me rote ho
Jara batao hasino key kaun hote ho
Key galat hai lut liya tumko husnwalo ne
Tumhe toh luta tumhare bure kayalo ne
Gunahagar tumharee nigahе hotee hain
Tumhare dil kee toh duneeya siyah hotee hai
Naa ishk hota hai tumko naa chah hotee hai
Yahee woh bat hai badhakar gunah hotee hai
Kaha toh julm sahenge yeh purajafao key
Janaje roj nikalate hain behayao key
Inhe naa chhedo kudara key kadimaye hain
Tumharee bahane hain betee hain aur manye hain
Aa aa aa.....
Naa kalee julfo se matlab naa gore galo se
Kuda bachaye har ik ko bure kayalo se
Key galat hai lut liya tumko husnwalo ne
Tumhe toh luta tumhare bure kayalo ne
