Meri pehali mohabbat hai, meri pehali yeh chaahat hai  
Meri itani si hasrat hai gale lag ja na ja  
Teri baahon mein raahat hai, teri julfon mein jannat hai  
Meri itani si hasrat hai gale lag ja na ja  
Sulage sulage badan hai ulajhe ulajhe se mann hai  
Badhati jaati hai tan ki pyaas  
Behaki behaki hai raatein, mehaki mehaki hai saansein  
Rehana rehana tu dil ke paas  
Ho tu agar saamane ho kaise main khud ko rakh paau hosh mein  
Darata hai dil khata yeh kar baithe na mohabbat ke josh mein  
Badala badala hai mausam, pighala pighala hai yauvan  
Jaage jaage hai abb ehsaas  
Behaki behaki hai raatein, mehaki mehaki hai saansein  
Rehana rehana tu dil ke paas  
Mere jason ki jo bhi haalat hai, woh samajh lo na bin kahein  
Ho inn labon se kahon jo armaan hai barso yeh hont chup rahe  
Thandi thandi agan hai, mithi mithi chubhan hai  
Judati chudati hai tujhase aas  
Behaki behaki hai raatein, mehaki mehaki hai saansein  
Rehana rehana tu dil ke paas  
Teri baahon mein raahat hai, teri julfon mein jannat hai  
Meri itani si hasrat hai gale lag ja na ja
