Jadu hai yeh hai sapna, kuchh mil gaya hai apne  
Ehsas yeh naya hai, isame bhee maja hai  
Khota hai yeh khara hai, kuchh bhee nahee chhupa hai  
Chhaya junun kaise duniya lage ajuba  
Gayab hoke sab dikhta hai, mai jahan bhee rahu  
Koyee naa mujhko dekhe, mai sabko dekhu  
Gayab hoke sab dikhta hai, mai jahan bhee rahu  
Koyee naa mujhko dekhe, mai jahan bhee rahu  
Koyee naa mujhko dekhe, mai sabko dekhu  
Jadu hai ya sapna, kuchh mil gaya hai apna  
Chhaya junun kaise, duniya lage ajuba  
Thoda thoda dard bhee sahna hai pada  
Rutha rutha har koyee apna tha meraa  
Aaj baho mai aasman bhee hai  
Ek sathee naa ho toh kuchh bhee nahee  
Woh bhee mil jaye dil jise chahe  
Pyar se ho jayegee jindagee hasin  
Har hal me yeh hoga woh mere pas hoga  
Chhaya junun kaise duniya lage ajuba  
Gayab hoke sab dikhta hai, mai jahan bhee rahu  
Koyee naa mujhko dekhe, mai sab ko dekhu  
Darna jhukna naa raha pehle jaise  
Aage mai hu mere pichhe hai rasta  
Aaj har bajee mare hatho me  
Mujhpe huwa hai meraa khuda meharban  
Kuchh bhee kar jau, mai jidhar bhee jau  
Hu bhee nahee bhee hu mai yahan se wahan  
Khidki hai ya jharoka kisne hawa ko roka  
Chhaya junun kaise duniya lage ajuba  
Gayab hoke sab dikhta hai, mai jahan bhee rahu  
Koyee naa mujhko dekhe, mai sabko dekhu  
Gayab hoke sab dikhta hai, mai jahan bhee rahu  
Koyee naa mujhko dekhe, mai sabko dekhu
