Geet woh hai ha ji ha geet woh hai  
Geet woh hai ha ji ha geet woh hai  
Jo kisee ke yaad me deewana koyi gaye  
Sangit woh hai ha sangit woh hai  
Sangit woh hai ha jee sangit woh hai  
Har kisee ke dil kaa jo taar chhed jaye  
Geet woh hai ha jee ha geet woh hai  
Waise toh pyar sab log karte hain  
Ham pyaar ke naam se bhee darte hain  
Waise toh pyar sab log karte hain  
Ham pyaar ke naam se bhee darte hain  
Prit woh hai ha ji ha prit woh hai  
Prit woh hai ha ji ha prit woh hai  
Aadamee kisee ke liye jiye mar jaye  
Geet woh hai ha ji ha geet woh hai  
Kis chij ke iss jaha me kamee hai  
Matlab ke yaro se duneeya bharee hai  
Kis chij ke iss jaha me kamee hai  
Matlab ke yaro se duneeya bharee hai  
Mit woh hai ha jee ha mit woh hai  
Mit woh hai ha jee ha mit woh hai  
Wakt pade mushkil me jo kaam aaye  
Geet woh hai ha jee ha geet woh hai  
Yeh jindagi khele ham sab khiladi  
Jo yeh naa samajhe bada woh anaadi  
Yeh jindagi khele ham sab khilaadi  
Jo yeh naa samajhe bada woh anaadi  
Jit woh hai ha ji ha jit woh hai  
Jit woh hai ha ji ha jit woh hai  
Jit ke bhee koyee dilo jaan haar jaaye  
Geet woh hai ha ji ha geet woh hai  
Geet woh hai ha ji ha geet woh hai.
