Git woh hai ha jee ha git woh hai
Jo kisee kee yaad me divaana koyee gaaye
Sangit woh hai ha sangit woh hai
Sangit woh hai ha jee sangit woh hai
Har kisee ke dil kaa jo taar chhed jaaye
Git woh hai ha jee ha git woh hai
Waise toh pyaar sab log karte hain
Ham pyaar ke naam se bhee darte hain
Prit woh hai ha jee ha prit woh hai
Aadamee kisee ke liye jiye mar jaaye
Git woh hai ha jee ha git woh hai
Kis chij kee iss jaha me kamee hai
Matlab ke yaro se duneeya bharee hai
Mit woh hai ha jee ha mit woh hai
Wakt pade mushkil me jo kaam aaye
Git woh hai ha jee ha git woh hai
Yeh jindagee khel ham sab khilaadee
Jo yeh naa samajhe bada woh anaadee
Jit woh hai ha jee ha jit woh hai
Jit ke bhee koyee dilo jaan haar jaaye
Git woh hai ha jee ha git woh hai
