Zindagi se tez bhagon, waqt peeche mein aage chalon
Kal mein kuch tha aaj kuch hun, ab kisi ke na rokhe rukon
Zindagi se tez bhagon, waqt peeche mein aage chalon
Kal mein kuch tha aaj kuch hun, ab kisi ke na rokhe rukon
Mein jo chahun raat ko din, aur din ko raat mein karun
Mein karun mein karun
Oh godâ€¦ oh god
Oh god tussi great ho
Oh god tussi great ho
Oh god tussi great ho
Oh god tussi great ho
Haathon se badke choolun mein asmaan
Chand tare khele mere darmiya
Meri ungali tham ke shubha chale
Mere kabse mein hai yeh dono jahan
Kismat ki chandi jeevan ki doori
Dekho hai mere hath mein
Kis ko bhi chahun jaise nachaaron
Power hai mere baath mein
Oh godâ€¦ oh god
Oh god tussi great ho
Oh god tussi great ho
Oh god tussi great ho
Oh god tussi great ho
Mein hu kudrat mein hu takat
Toh kyun di tune yeh afat
Meri dharti meri jannat
Toh puri kar de har mannat
Ohh darja hamara sabse hai uncha, humsa na koi duja
Aare hum na hote toh socho tumhara phir kaun kartha pooja
Mange bina deta hun jo, aaisa hun antaryami
Daya ka tu jo sagar hai toh kyun laya tu tsunami
Mana ke tu ne di akal hume
Par dekhle kaise chalaya hum ne
Aare akal chalake mujhe itna batha de
Zara kaun sa teer chalaya tumne
Computer banaya, mein ne robot banaya
Mein ne satellite banaya
Aare mein mein mein mein kartha hai moorak
Tujkho kisne banaya, Meine
Jaan teri meri moothi mein
Tu hi batha tere kya karu kya karu
Oh godâ€¦ oh god
Oh god tussi great ho
Oh god tussi great ho
Oh god tussi great ho
Oh god tussi great ho
