Everybody get down, this party is goin to town
Ram baba lula, bam bam bu, there is only one thing to do
Baby baby let' s rock
I said all night long fill twelve o' clock yea
Goree goree, goree goree, goree goree
Kabhee kabhee, kahee kahee, choree choree
Chhup chhup ke tum mila karo, pyaree pyaree baate wate kiya karo
Par yu naa milna kisise kabhee hamare siwa
Gore gore, gore gore, gore gore
Bhole bhole, naye naye, kore kore
Dekho dekho ham dono mit hai, suno suno dil kee jo prit hai
Par sun naa paye inhe naa koi hamare siwa
Goree goree, goree goree, goree goree
Kabhee kabhee, kahee kahee, choree choree
Gore gore, gore gore, gore gore
