Gum sum gum gum sum ho kyun tum
Gum sum gum ghum kyun ho tum
Aankhon se chhalake hai ghum ghum, honto se muskaan gum
Ruthe kyun ruthe ho hardam, keh do kya bachche ho tum
Gum sum gum gum sum ho kyun tum
Gum sum gum ghum kyun ho tum
Hum inako samjhaaye kaise, jine ke lamhe hai kam
Iss pal ki kimat badi hai, iss pal ko kar lo jatan
Maathe pe silwat ka gehana, har chehare ne kyun hai pehana
Haaye kyun bhaaye hai inako chinta ki nadiya mein behana
Has do na, has do na
Aao na dhdkan ke lete gaao na tum dhumpichak dhum
Gum sum gum gum sum ho kyun tum
Gum sum gum ghum kyun ho tum
Hum inako batlaaye kaise jute hai inake abb hum
Main main main main main na karana, todo na saare bharam
Ambar se barase jo baadal, chhaate mein kya chhupake rehana
Haathon mein haathon ko thaamein dukh sukh ki bundon ko sehana
Has do na, has do na
Aao na dhdkan ke lete gaao na tum dhumpichak dhum
Gum sum gum gum sum ho kyun tum
Gum sum gum ghum kyun ho tum
Aankhon se chhalake hai ghum ghum, honto se muskaan gum
Ruthe kyun ruthe ho hardam, keh do kya bachche ho tum
Gum sum gum gum sum ho kyun tum
Gum sum gum ghum kyun ho tum
