Gun gun gun gun gun gun gun gun la la
O bhanvare e e e dekho ham divaanon ko masti mein mastaanon ko
Apani hi dhun mein chale hain duniya se kya lena hai
O bhanvare e e e dekho ham divaanon ko masti mein mastaanon ko
Apani hi dhun mein chale hain duniya se kya lena hai
O bhanvare
Deewaanagi ka saath hai hairanagi ki baat hai
Ravaanagi kahaan ki hai kaho na
Mudane lage hain raaste judane lage hain raaste
Dekho hamaare vaaste chalo na
Bhanvare dekho ham divaanon ko masti mein mastaanon ko
Kaisi suhaani shaam hai bas pal do pal aaram hai
Phir kitane saare kaam hain apana rakhavaala raam hai
Bhanvare dekho ham divaanon ko
Rukate-chalate hi aa jaayegi manzil hamase bach ke na jaayegi
Jaise dariyaon ko kinaare milate hain chanda ko sitaare
Aankhon ko milate hain jaise nazaare kaliyon ko milate hain bhanvare ye pyaare
Kashti ko milate hain paani ke dhaare naazuk dilon ko sahaare
Baagon ko milate hain jaise bahaare paayenge ham bhi thikaane
Jab ham chalein hain saath-saath ab sochane ki kya hai baat
Chal-chal ke raste ham ko hi pukaarein
Bhanvare e e e dekho ham divaanon ko divaanon ko
Masti mein mastaanon ko mastaanon ko
Apani hi dhun mein chale hain chale hain
Duniya se kya lena hai lena hai
O bhanvare o bhanvare dekho ham divaanon ko divaanon ko
Masti mein mastaanon ko mastaanon ko
