Gun-gunatee hai hawa phul khile dip jale
Hans padee rat mahakate huye aanchal ke tale
Yu tamannaye chamak uthatee hain dil me jaise
Cheharae wakt pe rah rah ke koyee hath male
Bachake taaro kee nigaho se gulo se chhup kar
Do nigaho kee mulakat huyee rat dhale
Rango kushbu se chhalakane laga mayakhanae dil
Sakiya jam chale jam chale jam chale
Aaj darshan naye andaj se hai garme nava
Usakee aawaj se nagmo ke ne dip jale
