Gupchup baate karne laga
Tere badan se mera badan
Jeene laga main marne laga
Chu liya maine tera badan
Pyaar ki aag main jalne laga
Kya tera kya mera badan
Chand bhi chup gaya badal main
Hogaya aur andhera badan
Aa main chhod ke ye duniya
Tere dil main saman jaaon
Door chala jaaon sab se
Tere pass main aa jaaon
Tukur tukur yoon mat dekho
Main tum se sharma jaaon
Apni dil ki dhadkan se
Tera dil dhadka jaaon
Khud ko roka bahut magar
Kaam na aaya koi jatan
Aaj hame kuch kehna nahi haan
Aaj hame kuch karna hai
Chutki bhar sindoor teri maang main
Aaj hi bharna hai
Maang se hame jo nahi mile
Bus wahi cheez churahi hai
Pyaase mausam se keh do
Humne pyaas bujaani hai
Raat milan ki aayi to ban gaya
Shaam savera badan
Bharkar apni baahon main
Bhar liya maine tera badan
Aaj hamare hoton par
Dil ki kahani aayi hai
Humko koi hosh nahi
Rut mastani aayi hai
Sej saji hai sapno ki
Raat suhani aayi hai
Ab chhaye na chaye gata
Barse na barse saawan
Dil main bahut andhera tha
Hum ne bas aag laga di hai
Ek duje ki baahon main chhod
Chala humko bachpan
Gupchup baate karne laga
Tere badan se mera badan
Jeene laga main marne laga
Chu liya maine tera badan
Raat milan ki aayi to ban gaya
Shaam savera badan
Bharkar apni baahon main
Bhar liya maine tera badan
Aaj agar hum door raahein
Phir nahi hoga apna milan
Gupchup baate karne laga
Tere badan se mera badan
Jeene laga main marne laga
Chu liya maine tera badan.
