Ha yeh me aaya kaha hu, kauf hai sehma huwa hu  
Ha yeh kaise fija hai, dard hai behka huwa hu  
Naa jane kaise yeh duwa, naa jane kaise yeh pukar  
Naa jane kaise yeh fariyad hai, aye mere khuda  
Sun le yeh sada ha  
Jakhmo ko mere too chupa, ruh kee yeh parchayee  
Dil kee yeh tanhayee, dhundu tere sajde me panah  
Aah mujhe jana kaha hai, soch me duba huwa hu  
Ha yeh kaise saja hai, dard se bheka huwa hu  
Anjane se hai yeh subah, anjana sa hai yeh safar  
Anjana sa hai intejar hai  
Aye mere khuda, sun le yeh sada ha  
Jakhmo ko mere too chupa  
Ruh kee yeh parchayee, dil kee yeh tanhayee  
Dundu tere sajde me panah  
Meree hasratoon kaa yeh afsana  
Meree kashmakash kaa yeh tarana  
Besabr wakt ko dundhe jamana  
Aye mere khuda, sun le yeh sada ha  
Jakhmo ko mere too chupa  
Ruh kee yeh parchayee, dil kee yeh tanhayee  
Dundhu tere sajde me panah
