Yeh andhera jab huva koi hoga tabhi haadsa
Hai haadasa ik darr ki sada, kisi sehami huyi yaad sa
Yeh andhera jab huva koi hoga tabhi haadsa
Hai haadasa ik darr ki sada, kisi sehami huyi yaad sa
Dilbar na, dilabar na, tu na, tu na paana
Dilbar na, dilbar na hone dena haaadsa
Dilbar na, dilabar na, tu na, tu na paana
Hone na dena darr aabaad sa aa aa aa&
Thode thode andhere, thode thode ujaale
Thode thode jindagi pe aaye saaye kaale
Thode thode andhere, thode thode ujaale
Thode thode jindagi pe aaye saaye kaale
Na jina na daar daar ke yahaan,
Na tu hone dena yeh kahata
Yeh andhera jab badha, koi hoga tabhi laapata
Dilbar na, dilabar na, tu na, tu na paana
Dilbar na, dilbar na hone dena haaadsa
Dilbar na, dilabar na, tu na, tu na paana
Hone na dena darr aabaad sa aa aa aa&
Beete na yeh beetaaye lambi lambi si raatein
Kaise khatron ki socho hongii baatein
Beete na yeh beetaaye lambi lambi si raatein
Kaise khatron ki socho hongii baatein
Dilbar na, dilabar na, tu na, tu na paana
Dilbar na, dilbar na hone dena haaadsa
Dilbar na, dilabar na, tu na, tu na paana
Hone na dena darr aabaad sa aa aa aa&
Yeh andhera jab huva, koi hoga tabhi haadasa
Hai haadasa ik darr ki sada, kisi sehami huyi yaad sa
Dilbar na, dilabar na, tu na, tu na paana
Dilbar na, dilbar na hone dena haaadsa
Dilbar na, dilabar na, tu na, tu na paana
