Haadsaa... haadsaa...
Haadsaa
haadsaaa... haadsaa.....
Yeh mumbai shaher haadson ka shaher hai
Yahan zindgi hadso ka safar hai
Yahan roz roz har mod mod pe hota hai koi na koi
Haadsaa haadsaa haadsaaaaaa haadsaaaaaa
Yahan ki khushi aur gum hai anokhe
Bade khoobsurat se hote hai dhoke
Bahut tez raftar hai zindgi
Hai phursat kise koi kitna bhi soche
Khushi haadsa hai gum hadsaa hai
Haqeeqat bhulakar har ek bhagta hai
Yahan roz roz ki bhagdaud main hota hai koi na koi
Haadsaa haadsaa haadsaaaaaa haadsaaaaaa
Haadsaa... haadsaa...
Yahan aadmi aasma chumte hai
Nashe main tarakki ke sab jhumte hai
Hari roshni dekh bhage woh tare
Achanak ruke phir se banke katare
Yahan ke parindo ki parwaaz dekho
Hasino ke chalne ka andaz dekho
Yahan husno ishq ki aawo hawa main hota hai koi na koi
Haadsaa hadsaa haadsaaaaaa haadsaaaaaa
