Aina jachaan ke aaus nu jach jawaan
Bhaavein jag aakhe jhalli ihnu raj hai nayi
Nach nach ke yaar manaa laye assi
Haaye par nachaa da mainu taan chaj hai nayi
Jag rusda re rus jaaye kal bhaayein
Ohde rushe na je zindagi aj hai nayi
Jeena ainde aase jaan dee nai jeena
Nayi taan jeen da sadde layi bhaj hai nayi
Hai deed teri, hai eid meri..
Hai deed teri, hai eid meri..
Nas-nas vich vas gayi aye soorat teri
Kya khuda ne taraashi ae moorat teri
Ho, nas-nas vich vas gayi ae soorat teri
Kya khuda ne taraashi ae moorat teri..
Aas lagaai tujhse dar pe tere khade hain
Piya piya re sun le marji meri re..
Aur nahi koi tujhse, zor nahi koi tujhpe
Piya piya re baaki marji teri
Piya piya morey piya piya
Piya piya morey piya piya
Aas laggi tujhse dar pe tere khade hain
Piya piya re sun le marji meri re..
Aur nahi koi tujhse, zor nahi koi tujhpe
Piya piya re baaki marji teri.
