Hai re tauba -2 yeh jawanee yeh jawanee kaa garur
Ishk ke samne phir bhee sar jhukana hee pada
Kaisa kahete the naa aayenge
Magar dil ne iss tarah pukara tumhe aana hee pada
Han yeh mana meree jan mohabat saja hai
Maja isme itana magar kisiye hai
Woh ek bekararee jo abtak idhar thee
Woh hee bekararee udhar kis liye hai
Abhee tak toh idhar thee udhar kisiye hai
Kisiye hai han kisiye hai
Han yeh mana meree jan.....
Bahelna naa jane badalna naa jane
Tamana machal ke sambhalna najane
Karib aur aao kadam toh badhao
Juka du naa me sar toh sar kis liye
Han yeh mana meree jan.....
Najare bhee dekhe ishare bhee dekhe
Kai khubsurat sahare bhee dekhe
Najare bhee dekhe ishare bhee dekhe
Kai khubsurat sahare bhee dekhe
Nam kya chij hai ijjat kya hai, sone chandee kee hakikat kya hai
Lakh bahalaye koyee daulat se, pyar ke samne daulat kya hai
Najare bhee dekhe ishare bhee dekhe
Kai khubsurat sahare bhee dekhe
Jo maikhene jake me sagar uthao
Toh phir yeh nasili najar kisiye hai
Han yeh mana meree jan.....
Tumhi ne savanra tumhi ne sajaya
Mere sune dil ko tumhi ne basaya
Tumhee ne savanra tumhi ne sajaya
Mere sune dil ko tumhi ne basaya
Jis chaman se bhee tum gujar jao, har kali par nikhar aajaye
Ruth jo toh ruth jai khuda, aur jo has do toh bahar aa jaye
Tumhee ne savanra tumhee ne sajaya
Mere sune dil ko tumhi ne basaya
Tomhare kadam se hai ghar me ujala
Agar tum nahee toh yeh ghar kis liye hai
Han yeh mana meree jan.....
