Hain sabse madhur woh git jinhe, ham dard ke sur me gaate hain -2
Jab had se gujar jaatee hai khushee, aansu bhee chhalak te aate hain -2
Hain sabse madhur woh git....
Pahlu me paraaye dard basaake, hasana hasaana sikh jara
Too hasana hasaana sikh jara
Tufaan se kah de ghir ke uthe, ham pyaar ke dip jalaate hain -2
Hain sabse madhur woh git....
Kaanto me khile hain phul hamaare
Rang bhare aramaano ke -2
Naadan hain jo inn kaanto se, daaman ko bachaaye jaate hain -2
Hain sabse madhur woh git....
Jab gham kaa andhera ghir aaye
Samajho ke savera dur nahee -2
Har raat kaa hai paighaam yahee, taare bhee yahee doharaate hain -2
Hain sabse madhur woh git....
