Ham dil ka kanval denge jisko hoga koi ek hazaaron mein
Saagar mein kahi jyon ik moti jaise chanda kai sitaaron mein
Ye roop-rang ki phulvaari uske liye hi ye phool khile
Sab kuch dena hai saunp use jis din jis pal vo aan mile
Baagon mein usi ke charche hain hai uski baat bahaaron mein
Kisne dil jeeta taakat se chaahat kab aag se darti hain
Naadaan shikaari kya jaane hirani kis raag pe marti hain
Talvaar ka zor nahi chalta ho jaati hain baat ishaaron mein
