Mohabbat jo kee hai vafaye bhee kar
Kabhee na juda ho duwaye bhee karna
Ja rahe ho laut ke aana, dekho tum hamko na bhulana
Ham toh tere aasheek purane hai, ham divane -3 hain tere
Tumhare bina ham reh na sakege, yeh sadme judayee ke seh na sakege
Yeh mausam yeh vadee yeh dil ke fasane, bahut yad aayegne gujre jamane
Umr bhari aise na rulana, dekho tum hamko na bhulana
Ham toh tere aasheek purane hai, ham divane -3 hain tere -2
Kabhee tumne hamse kiya tha yeh wada
Hamen jindagee se bhee chahoge jyada
Kadam bar kadam sath chalte rahoge
Sabhee gam milke sath sehte rahoge
Jo kasam lee hai woh nibhana, dekho tum hamko na bhulana
Ham toh tere asheek purane hai, ham divane -3 hain tere -2
Ja rahe ho laut ke ana, dekho tum hamko na bhulana
Ham toh tere aasheek purane hai, ham divane -3 hain tere -2
