Ham jiye ya mare hay, hay ham kya kare  
Ham jiye ya mare, hay ham kya kare  
Kya kare - 3  
Hay ham kya kare - 4  
Khil rahee chandanee, mast hai kaminee  
Rup hai rang hai, ang me ang hai  
Mat laga too agan, jal raha hai badan  
Kab talak yunhee aahe bhare  
Ham jiye ya mare, hay ham kya kare  
Phulajhadee hai umar, jal rahe hain nagar  
Har najar tej hai, hans rahee sej hai  
Tune ghaya kiya, dekh lungee piya  
Ham gunahon se kahe dare  
Ham jiye ya mare, hay ham kya kare  
Ha aa  
Jindagee dharm hai, puny hee karm hai  
Are chal  
Jindagee prem hai, prem hee marm hai  
Pyaar tan se nahee pyar man se karo  
Isaka matalab hai kya jindagee bhar maro  
Vasana ke pare aankh kholo jara  
Tum bhee ho tum sahee, hans ke bolo jara  
Do dino ke liye rup hai gandh hai  
Iss liye bhog lo woh hee aanand hai  
Tum samajhate ho kya jindagee aish hai  
Aish ho ya naa ho kya woh updeshe hai  
Saty hai jindagee jhuth hai vasana  
Vasana ke bina jhuth hai sadhana  
Bhog me tyag hai tyag aanand hai  
Dur dekhega kya jo najarband hai  
Rup hai do ghadee pyar hai sarvada  
Ek hai jhil toh ek hai narmada  
Roshanee ke liye dip banakar jalo  
Megh bankar chalo mom banakar galo  
Jindagee tyag hai ya kee vyapar hai  
Jo kee kudagarj hai usaka dhikkar hai  
Usaka dhikkar hai  
Chalate duneeya kaa dukh ham hare  
Ham jiye ya mare hay ham kya kare - 3
