Ham tumhare liye, tum hamare liye
Phir jamane kaa kya hai, hamara na ho
Aap ke pyar kaa jo mile aasara
Phir khuda kaa bhee beshak sahara na ho
Tum hee ho dil me, tum hee ho meree nigaho me
Na aur aayega abb koyee meree rahoh me
Karu na aaraju, marné ke bad jannat kee
Agar yeh jindagee gujare tumharee baho me
Pyar ke chand se, rat roshan rahe
Phir koyee aasman pe sitara na ho
Najar najar se, kadam se kadam milate huye
Chale hain wakt kee raftar ko bhulaye huye
Bahar puchh rahee hai, chaman ke phulo se
Yeh kaun aaya ke tum sab ho sar jukaye huye
Soch me phul hai, ham agar chal diye
Phir chaman me kabhee yeh najara na ho
