Woh hota hai, woh jo bas ho jata hai
Hota hai naa, jisame kuchh ho jata hai
Hai hai hai, woh hota hai woh jo bas ho jata hai
Arre hota hai naa jis me kuchh ho jata hai
Hamako jee woh ho gaya, hai rama rama
Arre hamako jee woh ho gaya, hai rama rama
Hota hai naa jis me kuchh ho jata hai
Arre chupke chupke aise gul ho jata hai
Arre apana jee gul ho gaya, hai rama rama
Rama rama, rama rama, hai rama rama
Oh sunate hai sapano me baate sunee hui
Otake nindon me ham raate bunee hui
Oh, aankho me kahanee hai, khwabon kee jubanee hai
Jaga rat bhar, subah ko mai so gaya, hai rama rama -2
Mastana kadmon ko rasta juda lage
Har patthar kaa chehra jaise khuda lage
Dekho toh nadanee hai, samjho toh rumanee hai
Jhuta sa yeh pal, saccha kaise ho gaya, hai rama rama -2
Woh hota hai, woh jo bas ho jata hai
Hai re, hota hai naa jis me kuchh ho jata hai
Hamako jee woh ho gaya, apana jee woh kho gaya
Arre chupke se gul ho gaya, hamako jee woh ho gaya, hai rama
