Ulajhee hai yeh kis chaal me tu
Hai aaj kal kis haal me tu
Hamko aaj kal hai intejaar, koyee aaye leke pyaar
Yeh rup hai kyon thamka, yeh rang hai kyon chamka
Yeh saans teree mehakee hai kyon
Yeh mastee hai jo chhalakee, yeh chunaree hai jo dhalakee
Yeh chal teree behakee hai kyon
Hamko aaj kal hai intejaar, koyee aaye leke pyaar
Kyon aag se hai jalve, kyon shog tere mann me
Tu aise machalatee hai kyon
Hai kaisa nasha chhaaya, kisne tumhe mehkaaya
Tu giratee sambhalatee hai kyon
Hamko aaj kal hai intejaar, koyee aaye leke pyaar
Kyon mehka hai yeh gajara, kya kehta hai yeh gajara
Tu sapano me khoyee hai kyon
Bechain hain kyon naina, kyon khoya tune chaina
Naa jaagee naa soye hai kyon
Hamko aaj kal hai intejaar, koyee aaye leke pyaar
Koyee aaya, dekho aaya, aa gaya
Aa gaya woh aa gaya, aa gaya woh aa gaya
