Hamrahee daro nahee honge kamayab
Mushkile har kadam hain dagar dagar
Lakho hath ek sath sath hain magar
Dur hain manjile kar naa too fikar
Chir ke andheree rat layenge aaftab
Chal re milake chal, dhun baje magan
Umad ghumad kar chha rahe badal
Abb hame toh dard kaa naa kauf hai jara
Ham haree bharee banayenge vasundhara
Abb toh naa rukana abb toh naa thakana
Mud ke dekho naa
Chukana hai hamen toh abb purana har hisab
Alag alag dharam, alag alag karam
Alag nahee hai ham, ek sab kaa gam
Majhabo ke nam pe hamen lada diya
Nafrato se rishta pyar kaa mita diya
Abb toh naa sahana, chup nahee rahana
Tumko hai kasam
Milake abb likhenge ham toh ek nayee kitab
