Use hasna bhee hoga, use rona bhee hoga
Use pana bhee hoga, use khona bhee hoga
Subah sham tanhayee me aahen bharega
Har dil jo pyar karega
Leke hasee hothon pe aankhon me bharke panee
Sachchi mohabbat woh hai jo hanske dede kurbanee
Use rukna bhee hoga, use chalna bhee hoga
Use bujhna bhee hoga, use jalna bhee hoga
Peh parayee bhee woh chhupke sahega
Peh kee har dalee phul kahan koyee khilta hai
Sabko yahan manchaha hay pyar kahan milta hai
Tanhayee me hogee shehnai me hogee
Kabhee apnon me hogee kabhee me hogee
Kanton kee rahan me bhee hanske chalega
Har dil jo pyar karega
Har dil jo pyar karega
