Dwiteeya vishwayuddh ka kaal  
Bhukhari aur Tabahi si thi Janta Behaal  
Germany ke takht par betha tha jo hukmaran  
Kara raha tha muhaiyya logo ko maut ka saamaan  
Baarood ke dher pe sulag rahi thi Qayanat  
Jab khaak mein mil jayega sab  
toh kiski jeet aur kaisi maat  
Dhamake ki goonj mein gum ho rahi kilकारीyan  
Chal rahi ho mano maut ke jashn ki taiyariyan  
Har ore tabahi ka manzar  
Har ore tabahi ka manzar  
Garja vinaash ka badal hai  
aaâ€!  
Har ore tabahi ka manzar  
Garja vinaash ka badal hai  
Kahin sehma-sehma bachpan hai  
Kahin rota maa ka aanchal hai

Jo chale jeetne duniya ko  
kya khabar nahi hai ye unko  
Jo chale jeetne duniya ko  
kya khabar nahi hai ye unko  
Jab jang jeet ke aayenge  
sab kuch namu paayenge

Kahin sooni sooni basti hai [aaaâ€!.]  
Kahin sooni sooni basti hai  
Kahin ujda ghar ka aangan hai  
Kahin sehma-sehma bachpan hai  
Kahin rota maa ka aanchal hai

Bhedbhaav jo karte hain  
Bhagwan se kyun nahi darte hain  
Bhedbhaav jo karte hain  
Bhagwan se kyun nahi darte hain

Jo Insaan bankar aaya hai  
Rang laal lahu ka paya hai  
Kahin qatra qatra zakhmi hai  
Kahin qatra qatra zakhmi hai  
Kahin zarra zarra ghayal hai  
Kahin sehma-sehma bachpan hai  
Kahin rota maa ka aanchal hai

Ant jab yahi hona tha  
Toh kis baat ka rona tha  
Ant jab yahi hona tha  
Toh kis baat ka rona tha  
Takht kahaan, kahaan taj gaya  
Kal bhi na mila aur aaj gaya

Kahin sapna chaknachoor hua  
Taqat ka nasha kafoor hua

Jo Boâ€™oge so kaatoge  
Jo Boâ€™oge so kaatoge  
Dastoor ye ab bhi kaayam hai  
Kahin sehma-sehma bachpan hai  
Kahin rota maa ka aanchal hai  
Har ore tabahi ka manzar  
Garja vinaash ka badal hai  
Kahin sehma-sehma bachpan hai  
Kahin rota maa ka aanchal hai

Kahin rota maa ka aanchal hai..  
Kahin rota maa ka aanchal hai..
