Har saans sulajh rahee thee uljhaane ko tum aa gaye
Jo aag bujh rahee thee bhadkaane ko tum aa gaye
Har kadam par hawa hai kathin waasta, jine ka hausla dard ka silsila
Saans aajaad hai jina dushwaar hai, pehle din ke liye bahut pyar hai
Main phir bhi jee raha hu aajamaane tum aa gaye
Main kab kahaan kho chuka hoon bataane tum aa gaye
Koi kehta yaha jindagi saj gai, koi kehta waha jindagi mit gai
Ek tamanna yaha ek tamanna waha, ek bharosa yaha aur nafarat waha
Har jakhm khil raha tha dil jalane tum aa gaye
Raste pe main chal pada tha, behkane tum aa gaye
Har saans sulajh rahee thee uljhaane ko tum aa gaye
Jo aag bujh rahee thee bhadakaane ko tum aa gaye
