Har subah yad rakhna har sham yad rakhna
Meraa nam hai mohabbat meraa nam yad rakhna
Chahe ho yeh jamin, chahe ho yeh aasman
Koyee fasla naa hoga abb hamare darmiya
Yeh rango kaa mausam hai, yeh khushbu kee angdayee
Ik duje me kho jaye kahatee hai yeh tanhayee
Iss jagah ko iss fija ko naa bhulana
Meree chahato kaa janam inam yad rakhna
Meraa nam hai mohabbat.....
Roshan hai meree duniya teree panaho me
Mujhe saree umrr rakhna apni nigaho me
Sadiyo kee duwa ke badale mahbub hasin milata hai
Julfo kee ghanee chhanv me dilkash lamha dhalata hai
Tumse milake maine samajha maine jana
Najaro kee bekhudee kaa yeh salam yad rakhna
Meraa nam hai mohabbat.....
Badla badla sa mere dil kaa aalam lagta hai
Mai jitna tumhe chahu utna hee kam lagta hai
Koyee aur nahee janeman mere dil me tum rehte ho
Bas tumse pyar karu mai, pal pal mujhse kehte ho
Bin tumhare kuchh nahee mai maine mana
Honho se jo likha woh paigam yad rakhna
Meraa nam hai mohabbat.....
