Har subah bahut yaad aataa hai
Har shaam bahut yaad aataa hai
Har subah bahut yaad aataa hai
Har shaam bahut yaad aataa hai
Teraa naam bahut yaad aataa hai
Teraa naam bahut yaad aataa hai
Har subah bahut yaad aataa hai
Har shaam bahut yaad aataa hai
Har subah bahut yaad aataa hai
Har shaam bahut yaad aataa hai
Teraa naam bahut yaad aataa hai
Teraa naam bahut yaad aataa hai
Mere sapano ke mahalon mein sirf teri tasvein
La la la la la la la la
Dekh zaraa tere haathon mein sirf meri takderen
La la la la humm humm la la la la
Kadam kadam pe chalanaa mujhako banake teraa saayaa
La la la la la la la la la la
Jab bhi sochaa jab bhi dekhaa meine tujhako paayaa
La la la la la la la la la la
Har subah bahut yaad aataa hai
Har shaam bahut yaad aataa hai
Teraa naam bahut yaad aataa hai
Teraa naam bahut yaad aataa hai
Meri tanhai ke saathi mere dil ki dhadkan
La la la la la la la la la la
Meri shaano pe bikhara de ye zulfon ka saavan
La la la la la la la la la la
Naa koi bechaini hai ab naa koi majaburi
La la la la la la la la la la
Har mausam chaahat kaa mausam har lamhaa sinduri
La la la la humm humm la la la la
Har subah bahut yaad aataa hai
Har shaam bahut yaad aataa hai
Teraa naam bahut yaad aataa hai
Teraa naam bahut yaad aataa hai
Har subah bahut yaad aataa hai
Har shaam bahut yaad aataa hai
Teraa naam bahut yaad aataa hai
Teraa naam bahut yaad aataa hai.
