Haan aao yaaron aa jaao, iss pal mein dekho abb hum sabhi
Ruke ruke se jara hai yeh kadam, jaana jaana kahaan hai yeh jaane na hum
?? saare yaar, yeh kaise ho gaya yaar
Rahega na yeh saath par yaadein hongii saath
Woh pehla pehla milna apana, thoda jhagadana ladna
Ai kaash ho jaaye hum, hum, yuun rehte rahe sang sang sang... ho
Hasta la vista kaise kahe tumhe alvida, yaaron suno ke huwa dil fida
Yaad jara toh rakhana, haan kabhi bhi hame bhul na jaana
Hasta la vista ho rahi hai raathe sab juda, kehna hai jo bhi keh do jara
Ho iss pal yeh wajah toh, dekho inhe na gawaana
Keep doing your thing, thing, thing
Kya kya kehna hai abhi baaki, there is much more, its all of me
So much fun, kitna pyar, kitni ?? aur ???
Sabhi khatam huye yaar, everybody put your hands up -2 hey hey hey
Everybody put your hands up -2 hey hey hey
Hasta la vista kaise kahe tumhe alvida, yaaron suno ke huwa dil fida
Yaad jara toh rakhana, haan kabhi bhi hame bhul na jaana
Hasta la vista ho rahi hai raathe sab juda, kehna hai jo bhi keh do jara
Ho iss pal yeh wajah toh, dekho inhe na gawaana
Keep doing your thing, thing, thing
