Wo kaun hai, wo kanah hai,  
Jise dundati hai nigahe, wo kaun hai  
Hawa sun hawa use chuke  
Aa use chuke aa ja jara  
Hawa sun hawa use chuke  
Aa use chuke aa ja jara  
Kanh hai wo itna bata  
Hawa sun hawa use chuke  
Aa use chuke aa ja jara  
Kanh hai wo itna bata  
Kaun hai yad jo har pal aaye,  
Yad wo aaye to aake na jaye  
Kaun hai yad jo har pal aaye,  
Yad wo aaye to aake na jaye  
Raj ye dil ab kisko bataye,  
Samane hai wo najar na aaye  
Mujko kiski aahto ne hai  
Chuwa kon hai wo ye hawa tu ye bata  
Hawa sun hawa use chuke  
Aa use chuke aa ja jara  
Kanh hai wo itna bata  
Meri sadaye tujko bulaye  
Samne aa jao aaj jara aa jare  
Meri sadaye tujko bulaye  
Samne aa jao aaj jara aa jare  
Meri ye bahe tujko pukare  
Aa ja re aa jaa re  
Meri bahe tujko pukare  
Aa jaa re aa jaa re  
Hawa sun hawa use  
Chuke aa use chuke aa ja jara  
Kanh hai wo itna bata  
Wo kaun hai, tujse milungi to  
Tujse kahungi,  
Tere bina mai rah na sakungi  
Tujse milunga to tujse kahunga,  
Tere bina mai rah na sakunga  
Chodo udashi kinyu annkhenam he  
Dekho to najdeekha hum ha,  
Mujko kiski aahto ne hai chuwa kon hai,  
Wo ye hawa tu ye bata  
Hawa sun hawa use chuke  
Aa use chuke aa ja jara  
Kanh hai wo itna bata  
Wo kaun hai, wo kanah hai,  
Jise dundati hai nigahe.
