Too ladakee goree chittee hai, teree bahana motee kalee hai
Kyun bane na too dulhan, merree kyun bane too merree salee hai
Tera jija tujhpe marta hai, tujhe dekhake aahe bharata hai
Tang hu mai balama se apne, takata hai woh tere sapne
Dar lagata hai mera sainya kahee tham na le teree bainya
Mera sajana bada nikhattu hai woh julmee tujhpe lattu hai
Hay tauba hay tauba tauba tauba tauba
Tauba merree javanee sautan ban gayee aaj tumharee
He kunvaree kudee mai hu kunvaree
He kudee kunvaree bane dushman tumharee
He kunvaree kudee rah gayee kunvaree
Kudee kunvaree bane dushman hamaree
Hu apni toh udd gayee hai nindiya, kyun tune chamaka dee bindiya
Mai hu jije kee salee usakee aadhee gharvalee
Tera balama mera jogee woh mere prem kaa rogee
Sainya tera dilwala woh hai mera matwala
Tere sajan kee banungee ranee too bharegee mera panee
Are na jane kab talegee apne sar se yeh bimaree
He kunvaree kudee mai
Dekh dekh tujhe hay dil dhadake, koyee na dekha tujhse badhake
Tum sab ho merree sakhiya, na mujhe dikhao ankhiya
Kyun hotee ho bekabu karo miya ko apne kabu
Tum unaka dil bahalao ban than ke unhe rijhao
Ik bat hai sidhee sadee nahee karanee mujhko shadee
Kahee nahee jana hai mujhko mai bhaiya kee pyaree
He kunvaree kudee mai
O o merree bahana phulo kee dalee, teree bagiya kaa mai hu malee
Too hai mera rakhavala bade naj se tune pala
Dil aaj talak na bhula teree bahen thee mera jhula
Too merree umar bhee jee le tere hath karunga pile
Mai tere pyar kaa adi par karanee hai teree shadee
Are isi sal sasural too jane kee karale taiyaree
He kunvaree kudee mai
He divanee yeh ladakee hai divanee
Are banegee ik din apne raja kee ranee
He divanee too ladakee hai divanee
