Oy hello sai hello  
Oy hello sai hello  
Hum peechhe peechhe aate hain  
Tum aage aage challo  
Oy hello sai hello  
Vadi hello sai hello  
Meri ruk ruk jaaye saans  
Jiya mera udta jaaye  
Meri ruk ruk jaaye saans  
Jiya mera udta jaaye  
Jo kadam uthhaaun aaj  
Wo peechhe mud mud aaye  
Jo kadam uthhaaun aaj  
Wo peechhe mud mud aaye  
Mere dil mein hai ye dar  
Tujhe lag jaaye kahin na par  
Yahaan se challo  
Oy hello sai hello  
Oy hello sai hello  
Hum peechhe peechhe aate hain  
Tum aage aage challo  
Oy hello sai hello  
Oy hello sai hello  
Main bhola baalam  
Main bhola baalam hoon  
Ye saari duniya jaane  
Main bhola baalam hoon  
Ye saari duniya jaane  
Par tu hai aurat zaat  
Kisi ki kaise maane  
Par tu hai aurat zaat  
Kisi ki kaise maane  
Tu mujhpe bharosa kar  
Zara na apne dil mein darr  
O meri ballo  
Oy hello sai hello  
Vadi hello sai hello  
Hum peechhe peechhe aate hain  
Tum aage aage challo  
Oy hello sai hello  
Oy hello sai hello  
In meethhi baaton ka  
Chale na mujhpar jaadoo  
In meethhi baaton ka  
Chale na mujhpar jaadoo  
Tum karo bahaane laakh  
Rakhenge tum pe qaaboo  
Tum karo bahaane laakh  
Rakhenge tum pe qaaboo  
Bura hai zulfon ka ye jaal  
Udhad jaati hai dil ki khaal  
Sambhal kal challo  
Oy hello sai hello  
Vadi hello sai hello  
Hum peechhe peechhe aate hain  
Tum aage aage challo  
Oy hello sai hello  
Oy hello sai hello.
