Hey ambike, jagadambike, he maa  
Namastasyai namastasyai namastasyai namo namah  
Mahishasur ke atyacharo se dharti kaa jan man dola  
Rishi muniyo kaa aasan dola aur swarg kaa indrasan dola  
Tab sabhi devatao ne mil kar shakti ek banayi thi  
Woh shakti hi awatar bani jo maan durga kahalayi thi  
Thi sabhi lagi jagamaga rahi thi, mata daso dishao me  
Talwar chakrr dhanush aur trishul sab saje the aath bhujao me  
Tab dev muni gir pade sabhi, pag me aanand bhairavi ke  
Hey mat bhawani ham sabki too raksha kar mahishasur se  
Maa ne jab karu pukar suni, shital naina angar huye  
Kesho ko aur bikher liya, talwar trishul sanbhal liye  
Khappar le kar woh chamunda itt chhor kabhi utt chhor chali  
Woh satya ki raksha karne ko aandhi bankar jhakajhor chali  
Hey ambike jagadambike he maa  
Hey ambike hey shiv bhawani maa  
Hey ambike bhagawati bhawani maa  
Hey ambike jagadambike he maa
