He deva he deva hum
Aaye dwar tumhare
Sankat me pran hamare
Parbhu sankat aaj haro
Hum par itni daya karo
Jai jai ganpati deva
Hum karē tumhari sewa
Jai jai ganpati deva
Hum karē tumhari sewa
He deva he deva
Sabse partham tumhara puja
Hota magal kari
Hota magal kari
Gajanand anand
Pand tum ho sabke hitkari
Tum ho sabke hitkari
Jab jab vighan pade bhakto par
Tumne laz bachai
Tumne laz bachai
Koi pujaan tere
Dwar se khali hath na aayi
He deva he deva
Darsh bina vyakul
Hai jiyra pyase pyase naina
Pyase pyase naina
Rah nihar nihar
Thaki hu din bina na raina
He fal nayak sidhik vinayak
Ab to darsh karado
Ab to darsh karado
Mere man ke manmohan
Ab to aaj milado
He deva he deva
Hum aaye dwar tumhare
Sankat me pran hamare
Parbhu sankat aaj
Haro hum par itni daya karo
Hum to bhola bhale
Man ki bigdi bat bana do
Bigdi bat bana do
Tum jag ke palak
Ho hamko jab ninda se bacha do
Jab ninda se bacha do
Agar hamari bhakti
Sachi apni shakti dikha do
Apni shakti dikha do
Jo kalang hum pe
Laga hai ab wo kalank mita do
Ab wo kalank mita do
Ab wo kalank mita do
Ab wo kalank mita do
Ab wo kalank mita do
Mita do mita do mita do.
