Bandh kafaan hum sar pe chale hai
Kha ke kasam hum ghar se chale hai
Sar jo utha hai nahi jhukenge
Dekh le duniya dekhe zamana
Padega bhari saamne aana
Hum to hai ziddi
Nahi rukenge
Himmat bhi hai takat bhi hai
Aur jeet ki चाहत bhi hai
Takraoge to meet jaoge
Ke hum log hai deewane
Hey dude dont mess with me
Hey dude dont mess with me
Hey dude dont mess with me
Hey dude dont mess with me
Hey dude dont mess with me
Hey hey hey hey hey hey
Hey hey hey hey hey hey
Hey hey hey hey hey hey
Hey hey hey hey hey hey
Jabse tamna jag gai hai
Dil mein hamari aag lagi hai
Aag yeh humne khud hi lagai
Dhayan mein hai bas ek nishana
Keh jo diya hai karke deekhna
Aarpaar ki aab hai ladai
Jo tan badan jo jaan hai
Sab jeet per kurban hai
Hum kaun hai.
