Kisee kaa chutta kisee kee daulat, kisee kaa love kisee kee mohabbat
Yaha pe jindagee kee har khushee,, rupaiya hai ya dollar hai ya pound
Hey meter down, down.....
Hmmm kitana kitana, kitana kaafee hai kisako bolo
Usake jitna, apanee kismat ko aise tolo
Sabka dharam kee kam na ho rakam, sare sapano me sikko kaa sound
Hey meter down, down....
La la la la....
Oh yeah
Chikaneer chikaneer meree noto kee chamadeer chikaneer
Tikaneer tikaneer duneeya hai inake dum pe bikanee
Dil hai naram toh khaayega jakham, tera lost kisee aur a found
Hey meter down, down....
Kisee kaa chutta kisee kee daulat, kisee kaa love kisee kee mohabbat
Yaha pe jindagee kee har khushee,, rupaiya hai ya dollar hai ya pound
Hey meter down, down.....
