Hey priye tumhaare swaagat ko. . .
Hain pran mere taiyyaar
Maine dekha hai aaj chaand
Dharti par pehli baar
Taaron ke jhurmut dhoondh rahe
Chandaa ko gagan ataari mein
Mere aangan mein chaand uгаа
Andhiyaara hai shrishti saar mein
Phir jhan jhan jhan jhan jhanak utthhe
Meri mann veena ke taar
Maine dekha hai aaj chaand
Dharti par pehli baar
Ghabraawo nahin muskaaо zara
Ab ham se nazar churaaо nahin
Hai yug yug ki pehchaan
Nahin hai anjaan aji sharmaaо nahin
Nainon ko nain bataa denge
Ye jeet huyi ya haar
Maine dekha hai aaj chaand
Dharti par pehli baar
Main bhramar nahin ras ka lobhi
Main patang hoon jal jaaunga
Main paagal premi hoon tera
Kalpana ka swarg banaaungaa
Phir hum dono ko irhsaa se
Dekheda sab sansaar
Maine dekha hai aaj chaand
Dharti par pehli baar
Hey priye tumhaare swaagat ko. . .
Hain pran mere tayyaar
Maine dekha hai aaj chaand
Dharti par pehli baar.
