Kudiye chup karke na kolon langh ni
High waist teri jeans aa sanu kare tang ni (x2) Ni gallan goriyan te utte kaale shades
Sadde dil utte chalde ne blades
Vichon desi te utton angrej
Langhe gaddi tu chala ke jadon tez Ni tere pichhe hoye parche, hoye kharche
Assi tere utte mar gaye
Ni saanu na tu lareyan te la, gall nu muka
Kar laange jivein ni tu keh Laake akhiyan da nasha saanu
Na kar no no no
Leke jaana tainu naal apne main baby girl
Lets go go go (x2) High profile teri gaddi
Low profile tyre ni
Khole jadon door har passe pinda shor
Tu taan lagdi ae poori fire ni Phirdi si unjh assi vele
Saanu kitta ae tu inspire ni
Chahida je koyi tainu karne nu pyar
Kar sakni ae mainu hire ni Tera kehda mull lagna, chann sajjna
Akhiyan de saamne jo reh
Ni saanu na tu lareyan te la, gal nu muka
Kar laange jivein ni tu keh Laake akhiyan da nasha saanu
Na kar no no no
Leke jaana tainu naal apne main baby girl
Lets go go go (x2) Sohniye aji akhiyan di ho jau jung ni
Always rehna kise ne ni hunda young ni

Chuppe yaaran vich hunde kayi snake Ni tere pichhe hoye parche, hoye kharche
Assi tere utte mar gaye
