Ho aaj majhab koyee ek aisa naya, dosto iss jahan me chalaya jaye  
Jisme insan insan banke rahe aa, aur gulshan ko gulshan banaya jaye  
O aaj majhab koyee.....  
Aa jisase badhakar koyee kitab nahee, are jiska milta koyee jawab nahee  
Umrr bhar chadh kar jo nahee utare, woh nasha hai magar sharab nahee  
Use pyar jamana kehta hai, uska divana rehta hai  
Yeh aisa hai rangin nasha, yeh jitna chadhe utna hee maja  
Honthon pe gulab yahee toh hai, aankho me khwab yahee toh hai  
Galo pe shabab yahee toh hai, ghunghat me hijab yahee toh hai  
Honthon pe gulab aankho me khwab, galon pe shabab ghunghat me hijab  
Yahee toh hai - 4  
Isako paya mira ne, isako hi gaya kabira ne  
O har ruh kee aawaj hai yeh, sabse sundar sajh hai yeh  
Jis se roshan padosee kaa aangan rahe, woh diya har ghar me jalaya jaye  
Jisme insan.....  
Aa yeh chav bhee hai aur dhup bhee hai, rup bhee hai aur anup bhee hai  
Yeh shabnam bhee anar bhee hai, yeh megh bhee hai malhar bhee hai  
Are isame duneeya kee javanee hai, yeh aag key bhitar panee hai  
Yeh ruh kaa ek sarovar hai, katere me ek samandar hai  
Shayar kaa hasin tasavvur hai, sangit kaa ek svayamvar hai  
Yeh sabko sab kuchh deta hai, aur badle me badle me badle me  
Bas dil leta hai dil leta hai, dil dil dil dil dil leta hai  
Iska jo karam aaj ho jaye, toh yeh mehfil bhee jannat see ho jaye  
Jisme insan.....
