Hogi kisme baat wo jisme koi baat ho, hoga kisme baat jo kuchh khas ho  
Hogi kisme baat wo mera dil le jit jo, hoga kisme baat du dil jisko  
Mere jaisa koi bhi hai yahan toh nahi, dekhe jise jhumein dil ki jamin  
Sabhi ki hai chaahat ek pyaara sa hasi, milega ik aisa koi toh kahin  
Mujhe koi bhi yu na jadu chalega, na tumhari style pe ho jayungi fida  
Sabse alag jo ho sabse juda, dil milega use jisme thoda ho nasha  
Hogi kisme baat wo jisme koi baat ho, hoga kisme baat jo kuchh khas ho  
Hogi kisme baat wo mera dil le jit jo, hoga kisme baat du dil jisko  
Baaton mein kahe aur kahe aankho me, khulake kaho jo bhi hai khaabo me  
Shayad mujhe koi bhi ada achchhi lage, pyar se batao jo bhi hai dil me  
Na na hai itna nahi aasaan, na na yeh mere dil ko paana  
Kai saare ladke mere aage piche ghumein par  
Koi na hai aisa jise dekhe dil dhadke  
Hogi kisme baat wo jisme koi baat ho, hoga kisme baat jo kuchh khas ho  
Hogi kisme baat wo mera dil le jit jo, hoga kisme baat du dil jisko  
Haan main sochu yeh ke dil ko apane kaise main manaau  
Shaayad ho koi iss bheed mein khud ko kaise samjhaau  
Haan kaise kaise kaise ho  
Hogi kisme baat wo, jisme koi baat ho  
Hogi kisme baat jo, kuchh khas ho  
Hogi kisme baat wo, mera dil le jit jo  
Hogi kisme baat du dil jisko
