Hota hai har faisala ek second mein  
Ho bura ya bhala ek second mein  
Milati hai zindagi ek second mein  
Aati hai maüt bhi ek second mein  
Yeh sach hai jisane bhi kahaan dosto  
Jo hoga ek second mein hoga dosto  
De aaj maula ya kal de sabko  
Woh ek second jo zindagi badal de  
Ek second jo zindagi badal de  
Ek second jo zindagi badal de  
Chalate chalate milenge raste  
Milegi manjil bhi chalaté chalate  
Chalate chalate milenge raste  
Milegi manjil bhi chalaté chalate  
Woh hai deewaana jo yeh  
Na jaana basati hai  
Duniya toh basate basate  
Koyi jeeta koyi haara  
Ek second mein ho  
Bane jarra bhi taara  
Ek second mein ho  
De aaj maula ya kal de sabko  
Woh ek second jo zindagi badal de  
In a second just a second  
Baby you can win or lose  
In a second just a second  
In a second just a second  
Baby you can win or lose  
In a second just a second  
Baby you can make room  
Haan banaté banate banengi baatein  
Dhalengi sukh mein dukh wáli raatein  
Haan banate banate banengi baatein  
Dhalengi sukh mein dukh wáli raatein  
Woh hai deewaana jo yeh na jaana,  
Milate milate milati saugaate  
Koyi banata koyi bigade  
Ik second mein ho  
Koyi girata koyi sambhale  
Ik second mein ho  
De aaj maula ya kal de sabko  
Woh ek second jo zindagi badal de  
Ek second jo zindagi badal de  
Ek second jo zindagi badal de.
