Hu ek dafa ek jungle tha, uss jungle me ek gidad tha
Bada lofer bada lichad aawaara
Us jungle par ek bastee thee, uss bastee me woh jaata tha rojaana
Ek dafa uss bastee ke kuto ne usako dekh liya
Iss mod se usako dodaya uss mode jaake gher liya
Jab kuchh naa suja gidad ko diwaar ke upar se kuda aa
Kuchh nahee hoa chinta nahee balika hu haan heyheeee ha hee
Achchha kahaanee kaha tak phonchi, somu gir gaya, dhāt sumu nahee gidad
Uss par kisee kaa aagan tha aagan me nil kee handee thee
Handee thee woh nilee thee kya thee, nilee thee
Uss nil me yu gira gidad, sab ho gaya kichad hee khichad
Are khichad hu kichad uff kichad, hhhh kichad thu
Kute jab bhonk ke bhaag gaye, gidad jee handee se nikale
Aur dhup chade jungle pahunche upar se niche tak nile
Sab jaanwar dekh ke darne lage, yeh kaun hai kaisa jaanwar hai
Ha muje pata hai, kya pata hai, gidad
Chup bhudhu khan se aagayee tu
Ha hu sab jaanwar dekh ke darne lage
Yeh kaun hai kaisa jaanwar hai, dikhane me toh nila dikhata hai
Ander se laal bojakad hai gidad neb hee chalakee kee, kya kiya
Motee aawaaj me guraya me raja hu me raja hu abb jungle kaa
Mujhako bhagvaan ne bhijvaaya hhaaa hhhiihii
Sher kee dum hilane lagee, aur muh se bas nikala hello ha
Bander kaa muh laal hata hai naa ha dar ke maare ho gaya yellow
Ahhhan jitane bhee jungle me the, sab gidad kaa paanee bharne lage
Ahh kyun samajhe koyee avataar hai woh aur usakee seva karne lage
Jahanpanah allam panaah umarujaano didare yaar tasrif la rahe hain
La rehe hain maarunga tujhe
Bahut dino ke baad ek din kuchh aisa huwa uss jungle me
Uh dahdam dhudum dhadam ahhan ahan
Aye aye daratee kyun ho, tum shor kyun kar rahe ho
Mai shor nahee karunga, mai toh bijalee hu bijalee
Lekin tum toh gidad the naa me sab kuchh hu
Aao bas ladakee bas bolo saawan ke mahine me ek din
Kuchh gidad milake gaane lage va vhu vaa - 5
Nile gidad ko bhee josh aaya aur biradiree par itraane lage
Aur jhum ke jab aalaap liya ahha ne re ga are
Ahha ne re ga kase kase ahhan ne re ne re ga
Ahha ahhaaa hhan o o o o o.....
Are baapare pehchaane gaye aur pakade gaye
Har ek ne khub pitaayee kee, sab rang utar gaye raaja ke
Aur sab ne khub dhulaayee kee de dhana dhan le danaadan
Bol dana dan bol dana dan bol danna dan
Ladka ladakee haaaah
