Hujurevaala jo ho ijaajat  
Toh ham yeh saare, jahaan se kah de  
Tumhaaree adaao pe marate hai ham  
Yeh kisane kaha hai kee darate hai ham  
Hujurevaala.....  
Kyon naa kah de mohabbat khuda hai  
Yeh hakikat nahee hai toh kya hai  
O dil vaale daanv lagaale, kar diya dil ko tere havaale  
Bada lutf chhup chhup ke jalane me hai  
Maja tir khaake sambhalane me hai  
Hujurevaala.....  
Dekhiye toh jara muskuraake, kaun baitha hai pahal me aake  
O dil vaale daanv lagaale, kar diya dil ko tere havaale  
Yeh nichee nigaahе gajab kar gayee  
Pata naa chala julm kab kar gayee  
Hujurevaala.....
